

History of Ladies's SBL-QABL-NBL 1 1986 until 2022

Below we have tried to give an as accurate as possible history of players and family of players in this Club. We now acknowledge Players and Coaches that have played or coached 100 games in an elite band known as the Centurions Club.

We have also tried to give player histoy of those who made Queensland teams While playing for Maroochydore and now the Sunshine Coast who went on to a USA College, AIS, NBL, WNBL, and Australia, and also the MVP for every year plus other stats. We have also tried to give players a number in the Club, although it may not be as accurate as we would have liked in the past.

It now gives us a benchmark for the future and any new player will have their number recorded from their first game.

We have also tried to link members of families together who have played at this level - husbands, wives, brothers, Sister, Son's, daughters, etc,on Sunshine Coast who went on to a USA College, AIS, NBL, WNBL, and Australia, and also the MVP for every year plus other stats. We have also tried to give players a number in the Club, although it may not be as accurate as we would have liked in the past.
