For players in school teams and A-Grade men's competition most players have paid for the entire winter season. If you are unsure if you have paid the term 2 fee, full winter fee or have a credit from your QLD Government Fair Play Voucher, please see admin staff in the office.

REMINDERS

Please help share the workload of scoring each week. We are still seeing the same dedicated parents taking the load of scoring for their teams, but this should be shared across all players parents/carers. If you have never scored before we can have someone teach you so, please just let us know.

Please ensure ALL PLAYERS AND SPECTATORS are using the QR code to sign in for all games and trainings as it is now compulsory for all people entering the venue to sign in. No Sign In - No Entry!

GRAND FINAL CARNIVAL - SATURDAY 11TH SEPTEMBER
